

More Nat and Friends

Student Age
5 to 7 years

Vocabulary Learned
700 words

Number of Lessons
40 lessons
(80 lessons if taught twice weekly)

Lesson Length
45-60 minutes

The fun and adventures continue with traditional tales that have a modern twist. Songs and animated episodes make learning English exciting.

In *(country name)*, audio tracks are downloaded online.

This course continues to expand a child's spoken English skills and will help children familiarize language structures through dialogues. Students learn to speak English naturally as they learn their mother tongue—through stories, songs, interaction and games.
