

Polly Reads and Writes

Student Age
5 to 9 years

Vocabulary Learned
1000 words

Number of Lessons
80 lessons

Lesson Length
60 minutes

Children learn to speak, read and write in English with confidence. Classroom learning is enhanced with the unique Helen Doron Read app.

This unique course teaches children the basics of reading and writing in English. Appealing in-class and at-home learning materials teach listening, speaking, phonics and whole word reading and writing skills.

Designed to work hand-in-hand with classroom materials, the Helen Doron Read app allows your child to work independently outside of class, practising important language learning skills. The app introduces wonderful stories for children to interact with text and animation and read at their own pace, in a stress free setting.
